Community Bank
of OAK PARK RIVER FOREST

A Message from the Sponsor

Community Bank of Oak Park River Forest is proud to announce its twelfth year of sponsoring the Makin' Tracks 5K Run/Walk. Makin' Tracks has become a popular event for runners throughout Chicagoland because of the opportunity to run in a well-organized, fun filled race through beautiful River Forest. Profits from the event go to support the West Suburban Special Recreation Association (WSSRA), which provides first class recreational services for persons with disabilities.

As our event celebrates its twelfth year, we are delighted to work closely with other community organizations in presenting Makin' Tracks. Together with the River Forest Park District, Concordia University Chicago, Fenwick High School, and Oak Park River Forest High School, Makin' Tracks has become a community institution. Serious runners, casual runners and those who enjoy a nice walk through River Forest all come out to enjoy the festivities. Makin' Tracks is also a family event, and we have children's races that promote exercise and good health. Congratulations to all of our runners and walkers. Thanks for helping build Makin' Tracks into one of the premier events in our community. Good luck to all!

Sincerely,

Walter F. Healy,
President
Community Bank of Oak Park River Forest
